ORDER

Teck Cominco moved at Docket 355 to enforce settlement, which the plaintiffs opposed. Neither NANA nor the Borough had responded by the time that the parties met with Judge Burgess in a settlement conference. It has been reported to the court that the parties resolved their remaining differences in that conference, and the motion at docket 355 was mooted accordingly. As part of their agreement to finalize the settlement in this case, the parties have asked that the motion and all documents filed in support or

opposition be stricken from the record. In light of the motion having become moot, such that no issue was ultimately presented to the court for resolution, and in light of the parties' stated desire to keep confidential the settlement negotiations that were revealed in the documents filed with the court, the motion is granted. The clerk is directed to strike from the record the following docket entries: 355, 355-2, 355-3, 355-4, 356, 357, 358, 358-2, 358-3, 361, 361-2, 361-3, 361-4, and 361-5.
